

Our Lady of Lourdes Medical Center (OLOLMC), a member of Catholic Health East, has retained Witt/Kieffer to assist in the recruitment of a Chief for the Division of Cardiology. The new Chief of Cardiology will report directly to the Chair of the Department of Medicine at OLOLMC.

Our Lady of Lourdes Medical Center is a regional referral center known for providing the most sophisticated levels of care. For more than five decades, OLOLMC has been committed to enhancing the health and well-being of southern New Jersey's residents, particularly those most in need. OLOLMC is a 410-bed, acute care teaching hospital located in Camden, New Jersey.

The New Jersey Heart Institute at OLOLMC is the largest provider of cardiac services in the South Jersey Region. HealthGrades has rated OLOLMC Five Stars for Coronary Bypass Surgery, Heart Valve Surgery, Coronary Interventions, and for the treatment of Heart Failure. The Division of Cardiology consists of nearly 100 cardiologists, cardiovascular surgeons, electrophysiologists, and cardiac anesthesiologists. The New Jersey Heart Institute at OLOLMC is known for its state of the art heart care and genuine concern for the comfort and well-being of patients. Approximately 6,000 Cardiac Catheterizations and angioplasties are performed each year, in addition to 1,500 procedures in the EP Lab, and almost 600 open heart procedures.

This is an outstanding leadership opportunity for a dynamic and highly respected clinician to implement program growth strategies, enhance the collaboration of a large volunteer faculty, oversee the cardiac fellowship program, and lead the development and implementation of new techniques, increase clinical volumes and grow the number of clinical trials and research initiatives. M.D. Degree and Board Certification in Cardiology is required.
