

**CHAIR, DEPARTMENT OF PHARMACOLOGY
UNIVERSITY OF COLORADO DENVER SCHOOL OF MEDICINE**

Position # 806418

The University of Colorado Denver School of Medicine seeks applicants for Professor and Chair of the Department of Pharmacology. The Department consists of 24 faculty members whose interests span neurosciences, cell biology, drugs of abuse, genomics and bioinformatics, signal transduction, lipid mediators, and structural biology. The Department occupies dramatic new laboratories and offices in twin towers of the Research Complex at the new University of Colorado Denver Anschutz Medical Campus.

The Department of Pharmacology has a large basic science research program with more than \$19 million in annual research funding. Training programs include over 20 graduate students sponsored by an NIH training grant, 35 NIH-funded postdoctoral trainees, and 39 other students training with Pharmacology faculty. A total of 49 research faculty and research assistants are also involved in research activities in the Department. The Department is also actively engaged in teaching of medical students. Details are available at the departmental web site:
