

Chair of the Department of Emergency Medicine

The College of Medicine at the University of Illinois at Chicago (UIC) is seeking candidates for the position of Chair of the Department of Emergency Medicine. The Chair will have opportunity to develop the clinical, research, and teaching missions of the Department.

The Department is comprised of 20 full time faculty members and 85 non-salaried faculty members. It provides clinical services to the University of Illinois Medical Center at Chicago, staffs three outstanding teaching hospitals in the Chicago area, and has an off-site clinic at Chicago O'Hare International Airport. The Department sponsors graduate medical education programs in Emergency Medicine, Combined Emergency Medicine and Internal Medicine and fellowships in Clinical Toxicology, International Medicine, and Emergency Ultrasonography. Active and developing research programs reflect these areas of interest.

The Medical Center campus is located in the heart of Chicago in the Illinois Medical District. It is one of the largest medical centers in the country and includes the UIC Colleges of Applied Health Sciences, Dentistry, Medicine, Nursing, Pharmacy, and School of Public Health. This environment provides excellent opportunities for collaboration and growth.

Candidates should be Diplomats of the American Board of Emergency Medicine; possess a distinguished record of scholarship, research, and service commensurate with a tenured appointment in the College; and demonstrate the ability to provide dynamic, visionary leadership in patient care, education, and research. UIC has a strong commitment to ethnic and gender diversity and continues to work to increase the representation of women and underrepresented minorities on the faculty.

For fullest consideration, please submit a letter of application, curriculum vitae, and list of references by September 1, 2009. Inquiries, nominations, and applications will be treated confidentially and may be sent electronically or by mail to:
