

**CHAIR OF OB/GYN  
TUFTS UNIVERSITY SCHOOL OF MEDICINE  
*and*  
OB/GYN-IN-CHIEF  
TUFTS MEDICAL CENTER**

Tufts University School of Medicine (TUSM) and Tufts Medical Center are seeking a distinguished physician for the position of Professor and Chair of the Department of Ob/Gyn (TUSM) and Ob/Gyn-in-Chief (Tufts Medical Center).

TUSM is noted for its excellence in research and patient care, as well as for providing its graduates with an outstanding foundation in basic and clinical sciences. The Tufts University School of Medicine affiliated hospitals include Tufts Medical Center as well as Caritas St. Elizabeth's Medical Center, Lahey Clinic, Baystate Medical Center, Maine Medical Center, and others.

Tufts MC is the principal teaching hospital of TUSM. The Department of OB/Gyn at Tufts MC is an academically oriented department committed to the highest quality of patient service and teaching of residents and medical students. The new Chair will be expected to develop and grow strong dynamic clinical programs at Tufts MC and be committed to the training of residents and the research mission of TUSM and Tufts MC.

Nominees/applicants must hold an M.D. degree, qualify for appointment to the rank of Professor and be Board Certified. Interested individuals should have an established reputation for clinical innovation, and academic excellence, as well as the leadership qualities, and administrative, organizational and management skills to lead a major academic and tertiary care department in the context of the changing health care environment.

Interested and qualified applicants please send CV to [kleibold@tuftsmedicalcenter.org](mailto:kleibold@tuftsmedicalcenter.org) and addressed to:
