

UMDNJ-Robert Wood Johnson Medical School seeks candidates for the position of Chair, Department of Psychiatry. Closely affiliated with University Behavioral Health Care, one of the largest behavioral health care organizations in the country, the Department has an energetic and productive faculty. Prominent departmental research and clinical programs include consultation/psychosomatics, child/adolescent psychiatry and addictions. Located in Central New Jersey, midway between Philadelphia and New York, the Department has close geographic and collaborative ties with Rutgers and Princeton Universities as well as the area's great concentration of pharmaceutical companies.

The successful candidate will have a MD or MD/PhD, be Board certified, and eligible for licensure in New Jersey. The individual will have international stature in Psychiatry, a history of productive research and scholarship, and serve as a role model and catalyst for intellectual attainment. We seek an outstanding clinician and proven administrator with demonstrated success in developing and implementing programs. A strong commitment to teaching is vital. The individual should be known for personal and professional integrity, excellent interpersonal skills as well as political astuteness, and should be able to articulate a vision for the Department while conveying a sense of energy, openness, and optimism with a collaborative, consensus-building, yet decisive management style.

Review of applications will begin immediately and will continue until the ideal candidate is chosen. Please send letters of nomination and/or application and *curriculum vitae* to:

Frederick Lepore, MD
