

Guidelines for HSSRI Recommenders

Please comment on the following in your recommendation letters for an HSSRI applicant:

- Creativity
- Research experience
- Analytic ability
- Writing and reporting skills
- Oral expression skills

Please email recommendation letters as a PDF on official letterhead to the following email:

biomedresearch@drexelmed.edu

Recommendation letters must be emailed directly from the recommender. Please put "HSSRI Program, name of applicant" in the subject line.

Please contact the email above for any questions, or at 215.991.8573
